

New Commercial Garbage Collection

The Town of The Pas has recently revised the waste by-laws. A public meeting was held on March 20th where the public was in support of reducing garbage production. This sheet has been made to help answer some questions about commercial garbage pick up in The Pas.

The new waste by-law can be found at the Town's website: townofthepas.com. If you have questions regarding how the changes will affect you please read the by-law and call the Engineering Department at 627-1125.

Q:	How many pickups do I get?
A:	Garbage is picked up from businesses once on your allotted garbage day.
Q:	What do I do if I need extra pickups?
A:	Commercial business can request additional pickups from the Town or any contractor. The Town will charge \$40 per pickup and requires a few days notice to schedule them. If you require more than one pickup per week it is expected that you will arrange them on a yearly basis to ensure your needs are met.
Q:	How much garbage can I throw away at a time.
A:	Commercial garbage stands are to be of a size similar to 6' wide by 8' long by 7' high.
Q:	Is there a fine for having a messy garbage stand?

Q:	Can I have cardboard picked up from my stand?
A:	No. You are responsible for recycling your cardboard.
