Residents are reminded that in accordance with By-Law #4534 it is unlawful for anyone to frequent the Town of The Pas Dump for the purpose of salvaging, scavenging, picking over, scattering, searching or burning of material.

### **NOTES:**

- 1. The gates have been set to close fifteen minutes prior to the landfill site being closed at lunch time and the end of the day. If the dump attendant feels that there is not sufficient time for the load to be separated and dropped off you will be turned away.**
- 2. The Town of The Pas maintains a "Used Oil Depot" at the landfill site. Used oil, oil containers and filters can be disposed of year round. Please see the Attendant for instructions.**
- 3. Dog excrement must be bagged separately and placed within a regular household garbage.**
- 4. Ashes must also be delivered to the landfill site. The landfill attendant will direct you to the "BURN AREA". Ashes must be stored in a non-combustible container clearly marked "ASHES".**
- 5. No cash on premises. Debit ONLY**

Any person who contravenes this By-Law may be fined as per Appendix A-Fines and Fees.
